Hello my name is Lyla Miklos. I'm a 21 year old Radio Broadcasting student at Mohawk College. I used to live in Iqaluit, Baffin Island, but now I'm a resident of Hamilton, Ontario. I'd like to give me own pitch for Canadian unity.

*Wherever we go  
Whatever we do  
We're going to go through it together*

*We may not go far  
But sure as a star  
Whatever we are, it's together*

*We've got ourselves a great Country  
With all kinds of people  
Even better, we say with pride  
We're not a part of the US of A*

*We have Nova Scotia, New Brunswick  
Newfoundland and  
Prince Edward Island*

*Ontario, Quebec  
Manitoba, Saskatchewan  
Alberta and British Columbia*

*We even have territories  
The North West and The Yukon  
We're planning soon to have a new one  
I say now, what a team we have*

*So whoever you are  
Or whatever you do  
You'd admit we should stick together*

*It we all work as one  
It will be twice as fun  
Cause we'll be working together*

*So no matter where you live  
What language you speak  
What religion you practice  
Or sex you may be*

*Together  
Yes Together Canada  
Together  
Together we should be*
